

## Go-Flexi

Go-Flexi is the flexible way of travelling around in rural North and East Fife. You just phone to book a journey and your fare will be similar to a bus fare. Anyone can use the services so why not 'Go-Flexi' for shopping trips, to catch a train, to go to college trips or to visit friends?

The Go Flexi is designed for people who don't have direct access to the public transport network. It can be booked an hour before travelling and up to a week in advance. Please note: passengers wishing to travel on a Monday should phone on the Saturday prior to travelling where you will be allocated a time for your journey. For early morning bookings passengers are advised to phone the evening before they wish to travel.
